

Clinical Therapist Job Description

Position Overview: Clinical therapist will provide outpatient individual, family and group psychotherapy to clients of Whole Space Family Therapy. Clinical therapy services include treatment of adolescents, adults, couples and families. We are currently looking for therapists who have a special interest in working with eating disorders and are wanting to be a part of a dynamic, collaborative team.

About Whole Space Family Therapy: Here at Whole Space Family Therapy, we believe in creating a space for clients and employees that honors the whole person. Our mission is to provide client-centered, inclusive eating disorder care. Our vision is to create space for healing, recovery and reconnection to one's authenticity. We strive to find wellness in wholeness. Our goal is to create a safe space that allows for realness and collaboration in healing.

Our Values: Whole Space Family Therapy lives by values that guide who we are as a team and how we present to our communities. We hire staff who bring these values to life.

- **Client-Centered care:** We strive to incorporate evidence-based treatment with compassionate individualized care. We believe that each client is their own person with their own needs. We can utilize the knowledge from clinical experience and training to inform care but also see each client for themselves and customize treatment for them. Each client is on their own journey and we need to honor their strengths, experiences and knowledge.
- **Wellness in Wholeness:** Wellness and healing are not found in perfection but in wholeness and connection. The process will be messy because that is the reality of life. We welcome all of you- your pain, joy, heartbreak, humor, anger. We strive to build safety around all feelings and experiences because they are part of your human experience. Our goal in therapy is to build a more connected life- in relationship with oneself, others and community.
- **Authentic, Specialized Clinicians:** We are human and committed to showing up as our whole selves. We believe it takes authentic relationships to facilitate healing. We aim to keep therapy down to earth and relatable while empowering clients with useful skills and coping strategies. We believe learning is continuous. We are committed to always be learning from our clients, our colleagues and the community around us.
- **All are welcome:** We believe in providing an inclusive environment for clients and clinicians. We are committed to providing a space that is weight inclusive, anti-racist and LGBTQ+ allied. We are committed to continually reassess our practices and work to promote a culture of diversity and inclusion.
